Dear Parent,

Following the atrocity on Monday 22nd May at the Manchester Arena we are mindful that there are those in our school community and also in our local community that have been affected directly or indirectly by this shocking event.

In order to further support our students, their families and friends we have attached some guidance from the NHS and posted information on our website which you may find of use in coming to terms with what happened or helpful in your support of others.

Yours faithfully,

Miss J McGoran
Head of School
