Why use GCSEPod?

What is it?

- One website, 3 apps and over 5,000 Pods
- Content produced specifically for mobile devices, tablets and PCs.
- Designed to squeeze exactly the right knowledge needed for exam success into short 3-5 minute chunks.
- Helps with learning, homework and revision.

It will help you get organised

Create personal playlists to listen to in the run-up to a test or to help with homework.

Use the viewing history feature to return to Pods you found useful or access your favourite playlist to go over topic areas you find difficult.

Download exam specific playlists, with everything you need to know for that exam all organised for you.

It's Convenient and Effective

The Pods are designed especially for mobile devices but can be watched on any device. Even better, they can be downloaded so you can watch them online or offline. Where ever you go, GCSEPod goes with you. It's like you're carrying a whole world of knowledge and revision in your pocket.

An expert reads and explains everything clearly and precisely with all the right facts, quotes, keywords, dates and annotated diagrams on screen.

You won't need to use GCSEPod for long before you feel the impact. Consistent use in just 10 minute chunks is proven to support achievement right up to A*.

It can be as discreet (or loud) as you want

Listen to GCSEPod Pods anywhere with nobody knowing what you are doing. Listen privately on the school bus, when you're walking the dog or shippoing in town.

If you want to show off just how much work you've been doing or even recommend a Pod to a friend you can use the social networking links.

Quick Start Guide

How do you get it?

When your school has informed you that you have been registered with GCSEPod, you need to confirm some personal details so that you can access the site:

1) Go to www.gcsepod.com and click 'login'
2) Click NEW HERE? GET STARTED! Select 'Pupil'
3) Enter your name, date of birth and type in the name of your school. The school's name should appear in the dropdown list, click on it to confirm.
4) Create a username and password.

If you're having trouble finding the school, double check that you've entered the correct date of birth and full name as it appears on the school's register. Some schools are known by a shorter version of their name, make sure you're typing the full, official school name.

Key Features

Playlists

Create a new playlist, give it a name, add some Pods and save. Watch the playlist online to brush up on your knowledge or download it and take it out and about with you on your device.

My Courses

Keep yourself organised by viewing a list of all your exams in subject or date order. View an exam playlist to see all the podcasts relevant to that exam, select the areas you find tricky and download to watch on the way to school.

Assignments

View homework set by your teacher, watch the podcasts they have selected and complete questions to help test your knowledge on a topic. Results are instant so you can see which areas you still need to work on.

Downloads

Android/Blackberry/Windows users can download to a computer first or straight to your device. You can also download our free GCSEPod app in the app store on your mobile device.
