## Hawkey Hall High School

Hawkey Hall is a high performing, heavily oversubscribed, mixed comprehensive school of around 1070 students.

In April 2018 became the lead school of the Greater Manchester Science Learning Partnership, part of the DfE funded national network, STEM Learning and in February 2019 the school received a very positive Ofsted inspection and was graded as good in all areas.

We see successful education as a partnership between parents, students and ourselves. Links with parents are of paramount importance, with regular and frequent contact via parents' evenings, reports, newsletters and the school planner contributing to a continuing dialogue about the education we provide for our children.

The school is situated in the south western part of Wigan, close to the M6 motorway, in an area of substantial private development. A wild fowl nature reserve borders the school grounds providing an open attractive outlook to the site.
