

Step by step information on how to access your free school meal voucher.

Copy your eCode from your email and then go to the following website:

www.freeschoolmeals.co.uk

The screenshot shows the website interface for redeeming an eCode. On the left, under the heading "Your choice.", there is a text input field labeled "enter unique code" and a blue "Redeem" button. A red arrow points from a text box below to the input field, and another red arrow points from a text box below to the "Redeem" button. On the right, under the heading "Simple steps to redeem your eCode", there is a vertical list of three steps: 1. Enter your unique eCode, 2. Select your voucher, and 3. Spend your voucher. A red arrow points from the "Redeem" button to the first step.

Your choice.
Simply enter your eCode and select your favourite retailer

Then spend and enjoy!

enter unique code

Redeem

Simple steps to redeem your eCode

- 1 Enter your unique eCode
- 2 Select your voucher
- 3 Spend your voucher

You will have received your 16-digit code from school, enter the 16-digit code into this box.

Then press redeem

Once you have click on the redeem button you will see the screen below:

The screenshot shows the "Welcome" screen of the website. It features a header with the word "Welcome" and a close button (X). Below the header, there is a message: "Congratulations, you have been rewarded £30". Underneath this message, there is a paragraph of text: "Start shopping now to redeem your codes and choose from our huge range of retailers. Don't forget you can mix and match, however you want!". At the bottom of the screen, there are two blue buttons: "Start Shopping" and "Add more codes". Red arrows point from text boxes below to both buttons.

Welcome X

Congratulations, you have been rewarded £30

Start shopping now to redeem your codes and choose from our huge range of retailers. Don't forget you can mix and match, however you want!

Start Shopping Add more codes

If you have more than one code click on the Add more codes button and repeat the steps above.

Once all your codes are added click on start shopping.

From the supermarkets below, select which is your preferred choice to shop at. To do this click in the box underneath the name of the supermarket that you chose.

The screenshot shows a selection screen for supermarkets. At the top, there are tabs for 'All', 'Online', and 'In store', and a search bar. Below the search bar is a grid of supermarket logos: John Lewis, M&S, Aldi, McColl's, ASDA, Morrisons, Sainsbury's, and Tesco. A red arrow points from the instruction text to the 'Aldi' logo. To the right of the grid is a 'Basket summary' section showing an 'Available balance' of '£30'. A red arrow points from a text box to this '£30' value. The text box contains the text: 'This shows the value of your voucher.' Below the basket summary is a 'Checkout' button. Further down is a 'Filters' section with a list of categories: Jewellery, Travel & Leisure, Fashion & Accessories, Food & Drink, Kids, Books/Music, Spa & Beauty, Home & Garden, Electricals, and Supermarkets. There is also an 'Instant delivery' section with an 'eGift Card' option.

The screen below is then displayed for the relevant supermarket that you have selected. Click add to basket.

The screenshot shows the Sainsbury's eGift Card redemption screen. At the top, there is a 'Sainsbury's' header with a close button. Below the header is the 'Reward Type' section, where 'eGift Card' is selected. The 'Description' section contains text about Sainsbury's aim to be the best for food and health. Below the description is a link to 'www.Sainsburys.co.uk' and a note that gift cards are only redeemable in stores. There is a 'View site' link. The 'Restrictions' section includes 'Terms and Conditions' and a note to refer to the retailer's website. At the bottom, there is a 'Value' section with a dropdown menu set to '30' and a note 'Min of £1 - in multiples of £1'. At the very bottom, there are 'Close' and 'Add to basket' buttons. A red arrow points from the instruction text to the 'Add to basket' button.

You will then be prompted with a screen where they have to enter your name, email address and phone number and then press redeem.
