

Geography

In Year 7, you will learn lots of new skills and discover so much about our planet! You will study Wigan and where it is in the world. You will gain lots of new skills, such as how to read maps and use grid references. If you like going on holiday, you will love our 'Tourism' unit, because we find out all about places people enjoy visiting in the world. Finally, we will journey through the 7 continents, including Europe, North America and Oceania, making sure that you know how extraordinary they are!

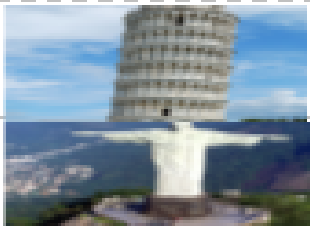

Map Skills

Can you write the four-figure grid references for the symbols shown:

- 5735 
- 61__ 
- ____ 
- ____ 
- ____ 
- ____ 

Famous Places

	Landmark	Country it is found
