'The school's work to promote pupils' personal development and welfare is outstanding'. (Ofsted)

11th May 2021

Dear Parent/Carer,

I hope this letter finds you and your family well and your child is looking forward to starting their secondary school journey with us in September.

This year's transition will predominantly take place virtually with opportunities for your child to engage in sessions with myself and other staff from school, as well as to meet other students in their forms and form tutor prior to the end of this academic year. I have met with all the primary school teachers to gather information about the students and I will be using this to place your child in a form in the coming weeks. As soon as this process is complete, we will communicate this with you and your child. Secondary school is very much about new starts and fresh beginnings and for that reason it would help us if you could start to talk to your child about making new friends and showing resilience; something I know we have all had to do over the past 12 months.

You will find some transition resources on the school website and these will be added to in the coming weeks. There are also some links to important forms that we require returning please, one being a data collection form so that we have your up-to-date contact information. We use a cashless system at school for students to purchase their lunch and snacks, so again, I kindly request that you complete the biometric section of the form which enables your child to have their fingerprint taken so they can make their purchases. We will aim to do this on their first day with us so if we have these forms back it will make the process a much easier one. If you do not wish your child to have their fingerprint taken, they will be issued with a unique pin number which they will use instead. . In addition to this I kindly ask if you could complete a medical form for your child which can also be found on the school website, in total these forms should take approximately 10 minutes to complete. The required forms can also be accessed by scanning the QR code below with your phone.

If you require any further information, or have any questions, please do not hesitate to contact me at transition2021@hhhs.net and I will get back to you as soon as possible.

I look forward to meeting you and your children very soon.

Please keep checking the transition 2021 section on the school website for updates and resources.

Take care and kind regards,

Mrs Holland

Head of Y6 & 7
