

CAREERS NEWSLETTER

This newsletter is a collation of all the opportunities we have heard about from employers and universities. Please use the links included to read more information and apply to anything you are interested in. Links are underlined.

OPPORTUNITIES

In today's newsletter, we are focusing on the **virtual work experience opportunities** you can take part in during your **April break**. With all the opportunities you can expect...

- The programmes to be open to anyone aged 13+
- A certificate of completion
- Approximately 10 hours to complete
- 3+ live webinars
- Complete at a pace that suits you

Virtual work experience is a great way to learn about a new industry, develop your skills and gives you something to talk about on your CV, apprenticeship and university applications.

Chances are, you've heard of high-street giant **Specsavers**. But, are you aware of the range of careers on offer within the organisation? From optics and audiology to customer service and support roles, this programme will cover the vast range of roles available at Specsavers. What's more, you'll also meet a range of industry professionals from various areas, who'll give you an overview of their experiences and allow you to ask questions. You can register [here](#).

When you think of **TV and film**, what comes to mind - red carpets and awards? We're going to pull back the curtain and discover what a career in TV and film really looks like, from popular film theory to what happens in post production, you'll get a backstage pass. You can register [here](#).

Throughout this virtual work experience programme, you'll learn all about the **nursing opportunities** available at Cygnet Health Care. You'll get a comprehensive idea of what goes into delivering support for various care needs, particularly within the disciplines of mental health and learning disability nursing. There'll be overviews of the skills needed and some first-hand accounts of how Cygnet Health Care has enriched patients' lives. You can register [here](#).

JOB OF THE WEEK

Pathologists are doctors who diagnose disease by examining cells and tissue samples, and sometimes through performing autopsies.

You can earn up to £91,004 per year and expect to work 38-40 hours per week. There will be 3% more Pathologist jobs by 2026. You can read more about this [here](#).

LABOUR MARKET INFORMATION FACT

Median* weekly pay for full-time employees was £611 in April 2021, up 4.3% on a year earlier; this growth is the highest since 2008.

**The median is the middle number in a sorted, ascending or descending, list of numbers.*
