

CAREERS NEWSLETTER

This newsletter is a collation of all the opportunities we have heard about from employers and universities. Please use the links included to read more information and apply to anything you are interested in. Links are underlined.

OPPORTUNITIES

At the Army Foundation College (AFC) Harrogate, we help 16 and 17 year olds get the military skills, fitness and education that they need for a great start in whichever part of the Army suits them. Participants will learn: Military skills, Education Sport and fitness & Leadership and initiative. You can find out more and sign up for the virtual open day on 21st June [here](#).

Ardonagh Advisory are launching a new and exciting Emerging Careers Programme. Starting in September 2022, candidates will begin to build a successful career through a robust eight-week induction, before embarking onto the 18 month Apprenticeship programme. With an amazing starting salary of £20,000, Apprentices will be supported by experienced mentors and buddies throughout their Apprenticeship journey. Apprentices will also be supported in their study towards achieving a Level 3 qualification in Insurance (Cert CII – Chartered Insurance Institute Certificate in Insurance). You can read more [here](#) and watch a video about the opportunity [here](#).

BE IT, SEE IT are a YouTube channel who aim to share videos of lots of real people doing different jobs. They have a playlist of original videos and have just released their new playlist of Green jobs. Check it out [here](#).

Pathway CTM are hosting a series of videos to connect you with leading UK employers to gain experience and figure out your next steps after school/college. Whether you want to learn more about NHS careers, find out about the Dyson Institute or learn about your strengths, there is a session for you! Check them out and sign up [here](#).

JOB OF THE WEEK

Environmental consultants advise on sustainability, including waste management, recycling, flood risk and the effects of climate change. You can earn up to £43,000 per year and expect to work 37-39 hours per week. There will be 3% more Environmental Consultant jobs by 2026. You can read more about this [here](#).

LABOUR MARKET INFORMATION FACT

The number of job vacancies in March to May 2022 rose to a new record of 1,300,000; an increase of 20,000 from the previous quarter, and an increase of 503,900 from the pre-coronavirus (COVID-19) pandemic level in January to March 2020.

[Register now](#) to be able to join the live broadcast – and find out which employers are the Top 100 Apprenticeship Employers and Top 50 SME Apprenticeship Employers for 2022!

 Get a flavour of university life and try out course-related activities for yourself at The Harper Adams Experience on Sunday 3 and Monday 4 July 2022 - This two-day residential event for 16-18-year-olds is designed to help you decide if Harper Adams is right for you. The Harper Adams Experience (HAE) costs £40 which covers all activities, food, refreshments and an overnight stay in halls of residence. The Harper Adams Experience is a great place to meet new friends, ask our students any questions you have about university, and most importantly have fun! [Register here](#).

The above university summer school is one of many. Most universities will be running summer schools and residential opportunities over the summer months so, if there is a specific uni you're interested in, check out their website to see what they have on offer.

Can't get to an in person university event? Don't worry - there are loads of virtual events happening too! Check them out for yourself on the [UniTasterDays website](#).

EMPLOYER SPOTLIGHT

NETFLIX

"A great workplace combines exceptional colleagues and hard problems. Our core philosophy is people over process. Our culture has been instrumental to our success and has helped us attract and retain stunning colleagues, making work here more satisfying."
You can read more about [Netflix jobs here](#).

UNI SPOTLIGHT

"Aberystwyth University, on the west coast of Wales, is your place to study, explore and grow. Aberystwyth really is an excellent choice. Since 1872, we've built a global reputation for teaching excellence and ground-breaking research."
You can read more about their courses [here](#).
