January 2023

Dear Parent / Carer,

We have been informed that Cadent, who look after the gas pipes in the Hawley Hall area are undertaking some work on the pipes, which will commence on Monday 16th January 2023 and will last for 5 weeks.

Cadent are replacing the current gas pipes for plastic pipes which will mean that the Hawley Hall area will have a greener gas future.

There may be disruption to the streets that are in the school area so please be mindful of this when coming to school. As always, if your child travels by car to school they can 'park and walk' from the Hawley Hall shops which may ease traffic around the surrounding areas of school.

We will keep parents and carers updated with any further information we receive.

Many thanks for your support in this matter.

Yours Sincerely,

Mr. Klinck
Headteacher
