

CAREERS NEWSLETTER

This newsletter is a collation of all the opportunities we have heard about from employers and universities. Please use the links included to read more information and apply to anything you are interested in. Links are underlined.

OPPORTUNITIES

Prospective students are attending fewer university open days when researching where to study due to rising living costs, according to the university admissions service (UCAS). Read more [here](#).

Are you a female? Thinking of creating a career in the automotive trade? Check out this [new female forward workwear collection](#) from Ford in collaboration with Dickies.

Younger workers may be changing what it means to work in an elite job – and even de-emphasising its importance entirely. Read this BBC News report about "[How Gen Z are disrupting the definition of 'prestigious' jobs](#)" to learn more.

LIVE

Atkins Apprenticeship applications close on 12 May 2023! "Did you know many of our creative, planet-saving Apprenticeship roles are still LIVE? We have so much on offer across numerous locations and career areas; from Project Management to Building Surveying, Civil Engineering, to Environmental, Digital and Technology to Cyber Security, Transport Planners to Rail Engineers and more." Check out their job roles [here](#).

Wondering what skills you need to develop to get ready for the workplace? [Here](#) are the 10 most in-demand skills globally and the 10 most in-demand hard skills for 2023. (Psssst! Don't know the difference between hard skills and soft skills? Learn more [here](#)!).

Are you taking exams this year? Check out the "[Be at Your Best](#)" guide from NGTU which provides a range of advice from their ambassadors and partners to help you perform your best.

JOB OF THE WEEK

Textile designers create fabric designs and patterns for woven, knitted and printed materials for clothes and interior furnishings. The annual salary is £18,000 to £40,000 and you can expect to work 40 to 42 hours a week. There will be 0.7% more Textile designer jobs in 2027.
