Dear Parent/Carer

Being Head Teacher of Hawkey Hall High School has been the greatest professional honour of my career. I knew when I embarked on the role that it would present many challenges. I was overwhelmed quickly to discover how rewarding the job of head teacher of this school is, serving the community in which it sits. However, I now have an opportunity now to move to the next stage of my career where I will continue to work hard to have a positive influence on young people working within the Rowan Learning Trust as the Assistant Director of Education. This post will commence after Easter.

There is a robust process in place to appoint my successor. I will inform you when this process is complete, and a new Headteacher of Hawkey Hall High School has been appointed.

I remain committed to Hawkey students, staff and all stakeholders and remain determined to ensure that the school continues to develop. May I thank you for your support, kindness, and feedback over the last four and a half years. I look forward to continuing our joint quest to maximise potential and improve life chances for all.

With kindest regards

Mr Klinck
