'The school's work to promote pupils' personal development and welfare is outstanding'. (Ofsted)

28th of March

Dear Parent/Carer,

As I am sure you are aware, I leave my position at Easter having been the Headteacher for nearly five years. Overall, I have worked at Hawkey Hall High School for almost 19 years. It has been a huge part of my life, and I am immensely grateful for having had the opportunity to work with so many students, staff, leaders, governors, and parents over the years. It has been a hugely rewarding experience. The Hawkey community is a special one. Indeed, many parents of our young people and ex-students have chosen to work with us, forging their careers as member of staff. It is that connection to the community that is so important in any school. I will continue to work with colleagues from the school as well as across the Trust. I would like to thank you for all the support and feedback you have given me over the course of my career to date. It is appreciated.

I am also delighted to inform you that the new headteacher will be Miss Leonard. She has already met students across the school, spoken to staff and governors and has spent time with senior leaders to ensure she has a good understanding of our strengths and areas for development. Undoubtedly, she will also want to work closely with families to improve the quality of education for your children. During the first week of the new half-term, she will write to you.

As always, at the end of term, we have attached the Hawkey that gives an overview of some of the activities and enrichment that our students have had the opportunity to take part since the new year. Please take the time to read it and encourage your child to take advantage of the many opportunities available in school.

The new term will begin at normal time on Monday 15th of April. I wish you and your families a peaceful Easter.

Yours Sincerely,

Mr. M Klinck
Headteacher
