General Notes

- **Phones/smart watches/air pods will be collected and returned after every examination. All other watches must be removed**
- Students must bring a see-through pencil case for their own equipment. You must bring a calculator for examinations that require the use of one.
- Students must ensure they have the correct examination paper before starting the examination.
- For students sitting different lengths of papers in the sports hall, you will return to your normal lesson when your examination session has finished.
- Students can bring see a through (clear) water bottle with no labels on it for use during the exams
- **Only students with medical passes will be allowed to leave the examination room once the examination has started**
