## 6. The Hawkley Way

Hawkley Hall High School students, in collaboration with staff and the wider community developed 'The Hawkley Way' (See appendix 1). This is the school ethos and is based on mutual respect. It outlines expectations so that learning can take place in a calm, purposeful and supportive environment. It is based on the core values of respect, honesty and kindness.

Students are expected to:

- Place litter in bins and keep the school site tidy
- Queue in an orderly manner at break and lunch

## 7. Rewards

An ethos of encouragement is central to the promotion of good behaviour. It is essential that there is an emphasis on praise rather than consequences. The school aims to recognise, acknowledge and celebrate good behaviour along with a pupil's effort and achievement, regardless of ability. The aim of reward points is to create a fair and consistent whole school reward system. Behaviour points and rewards can be viewed on Arbor by parents/carers and pupils.

Hawkley Hall High School will use the following to promote and reward positive behaviour:

- Verbal encouragement and praise
- Positives recorded on Arbor
- Positive phone calls home
- Student of the lesson
- Student of the week

- Rewards assemblies at the end of each term
- Attendance awards
- Invitation to termly events/trips
- Special privileges e.g. early lunch passes, free breakfast

## **8. Consequences**

Hawkley Hall High School has a staged approach to sanctions and these are based on the severity or persistent nature of the misbehaviour. These are set out below but all staff follow general guidance for our detention system.

### **8.1 List of sanctions**

- A verbal reprimand
- Negative points on Arbor
- In extreme cases, sending a student out of class
- Detention at break or lunchtime, or after school (see appendix 2)
- Removal of a student from class to another designated classroom
- Expecting work to be completed at home, or at break or lunchtime
- Referring the student to a Head of Year or senior member of staff
- Letters, phone calls home or parental meetings
- Putting a student on monitoring plan, 'report card' and/or a pastoral support plan

We may use the Remove room in response to serious or persistent breaches of this policy. Students may be sent to the Remove room, at the discretion of a senior leader, during lessons if they are disruptive, and they will be expected to complete the work provided. Students who fail to attend a given detention will be up-scaled to the next stage on Arbor. If they persistently fail to attend a detention, they will be placed into Remove and will still be required to complete the detention. Students who are late to school will also receive an appropriate sanction related to how late they are and/or how many times they are late.

### **8.2 Off-site behaviour**

Consequences will be applied to any student that is misbehaving off-site when representing the school, such as a school trip, fixture, performance, on the bus or on the way to and from school.

### **8.3 Malicious allegations**

Where a student makes an accusation against a member of staff and that accusation is shown to have been malicious, the headteacher will discipline the student in accordance with this policy. Please refer to our safeguarding policy for more information on responding to allegations of abuse. The headteacher will also consider the pastoral needs of staff accused of misconduct.

### **8.4 Sexual harassment and sexual violence**

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored, as per the school's Child Protection Policy.

## 9. Behaviour management

The Hawkley Way is based on mutual respect, honesty, and kindness. In all lessons and throughout school this should be promoted. We believe that building strong relationships and positive interactions are fundamental to the ethos of the school.

### 9.1 Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom.

They will:

- Create and maintain a stimulating environment that encourages students to be engaged
- Display the Hawkley Way
- Develop a positive relationship with students, which will include:
  - Meeting and greeting students in the morning/at the start of lessons
  - Establishing clear routines including at the end of lesson following school guidelines
  - Communicating expectations of behaviour
  - Highlighting and promoting good behaviour
  - Concluding the day positively and starting the next day afresh
  - Follow the school's rewards and consequences.
  - Using positive reinforcement

### 9.2 Physical restraint

In some circumstances, staff may use reasonable force to restrain a student to prevent them:

- Causing disorder
- Hurting themselves or others
- Damaging property

Incidents of physical restraint must:

- Always be used as a last resort
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents

Key members of staff are qualified in Team Teach: <https://www.teamteach.co.uk/about-us/>

<https://www.gov.uk/government/publications/use-of-reasonable-force-in-schools>

### 9.3 Searching and screening

The Headteacher and staff have a statutory power to search a pupil or their possessions where they have reasonable grounds to suspect that the pupil may have a prohibited item (listed in section 3) or any other item that the school identifies that could be a risk to the safety of the school. Any students found with prohibited items may be subject to daily searches or random searches at the discretion of the Headteacher.

All searches will be carried out using the guidance issued from the DfE.

<https://www.gov.uk/government/publications/searching-screening-and-confiscation>

## 9.4 Confiscation

Any students found with any items (listed in section 3 or against school uniform policy) may be confiscated. If an item has an age restriction, then this **will not** be returned to the student (e.g. vapes, cigarettes, alcohol etc). Other items may be returned to students following a discussion or meeting with parents.

## 9.5 Fixed Term Suspensions and Permanent Exclusions

The vast majority of behaviour is managed in school however there may be occasions where a student's behaviour is persistent or in serious breach of this behaviour policy. In these instances, it may be necessary to issue a fixed term suspension or permanent exclusion. The following list provides some, but not all, examples of behaviour that could lead to a fixed term suspension or permanent exclusion:

- Repeated breaches of the behaviour policy
- Verbal or physical abuse of staff
- Bullying
- Sexual harassment of any kind
- Prejudice on grounds of race, age, gender, sexuality, disability and others
- Carrying an offensive weapon
- Use or sale of alcohol or other mood changing drugs
- Deliberate damage or theft
- Smoking/vaping in and around the building or while wearing school uniform
- Gambling
- Bringing school into disrepute
- Physical assault on others (including fighting)

In cases where the student refuses to leave, an appropriate adult will contact parents and, if necessary, other agencies such as the police or social care. Suspensions and exclusions are at the discretion of the headteacher and will usually be no longer than 5 days. The process for suspensions and exclusions is as follows:

A full and thorough investigation will take place following any serious incident. This may include, interviewing students and viewing CCTV footage where available. Statements from students and staff will be collated where possible. Where deemed necessary, statements from students may not be submitted as permanent exclusion evidence but reference to these may be made. This is to protect

the wellbeing of the students who have given evidence. The headteacher will give full consideration to a range of sanctions before considering permanent exclusion.

Up to five-day fixed term suspension – parents are contacted by phone and a letter sent home. In some cases, it may be beneficial to take the student home after contacting parents. The matter is always fully discussed with the parents prior to the student's return to school in the "Return from Suspension" meeting with a senior member of staff. The suspension or exclusion is recorded on file and the chair of the local Governing Body, advisory board notified. The LA may also be notified. Students are not sent home before the end of the school day unless contact with parents has been made. The return from suspension meeting is an opportunity to discuss and reflect on the incident that resulted in the suspension. Standards, expectations and further potential consequences are shared prior to the student returning to mainstream. Students will lose their social time for 3 days following a suspension and may spend time in the Remove room until such meeting can take place. In the case of a permanent exclusion, the headteacher will notify the Chief Executive, Local Governing Body/Advisory Board and the Local Authority immediately of:

- A permanent exclusion (including where a fixed term suspension is made permanent)
- Suspensions which would result in the student being excluded for more than 5 school days (or more than ten lunchtimes in a school term); and
- Suspensions which would result in the student missing a public examination or national curriculum test

For all other suspensions and exclusions, the headteacher will notify the Local Governing Body/Advisory Board and the Local Authority on a termly basis and give the reason for and duration of the suspension or exclusion.

## **10. Student Transition**

To ensure a smooth transition to the next year, information related to student behaviour issues may be transferred to relevant staff, where appropriate, at the start of the term or year. Information on behaviour issues may also be shared with new settings for those students transferring to other schools. Key staff have access to all ATL and behaviour points records on Arbor.

## **11. Proactive interventions**

Personalised interventions will be offered to students to identify the triggers of their inappropriate behaviour and help students make better choices. These interventions aim to reduce the number of suspensions or behaviour incidents. There are a range of interventions that can be offered both internally and externally. These will be discussed with parents as and when they are needed.

### **11.1 Supporting students with SEND**

Hawkley Hall High School recognises our duty under the Equality Act 2010 to prevent learners with protective characteristics from being disadvantaged, so our approach with challenging behaviour may be differentiated to cater for the needs of individual students.

The school's SENDCO will consider if students needs are being met in regular reviews and through each child's provision map. Where necessary, support and advice from external agencies will be sought eg medical professionals, educational psychologists etc.

## **11.2 Evolve Centre**

If a student is at risk of permanent exclusion then students may be referred to the Evolve Centre. This is an onsite intervention that will offer intensive support to students in the expectation that they can then be reintegrated back into school. However, if a student's behaviour does not change during the period it may result in a permanent exclusion.

## **12. Continuous Professional Development (CPD)**

All staff are provided with training on managing behaviour as part of their induction process. They also receive training on the use of Arbor. We provide regular updates through our teaching and learning programme and on INSET days. Where necessary individual teachers can apply to attend external courses or observe colleagues in order to develop classroom management.

## **13. Monitoring and evaluation**

The behaviour policy will be reviewed annually and updated when necessary. At each review the policy will be approved by the headteacher and governing body.

# THE HAWKLEY WAY

Core values	
<b>Respect</b>	Being respectful means treating everyone the way we would like to be treated ourselves, so that we have mutual respect. This includes showing respect to our peers, staff, the school building and resources, neighbours, the community and the environment.
<b>Honesty</b>	Being honest means always telling the truth and admitting when we make mistakes in order to learn from them. Honesty also helps us to challenge each other and have the courage to listen, speak the truth and do the right thing.
<b>Kindness</b>	Being kind means ensuring you are considerate of the feelings of others. We should actively look for opportunities to be friendly, supportive and empathetic all the time.

The Hawley Way is built around our core values that also shape our long term vision for the school. Actions, not words on the paper are key to making this a reality. We will discuss and reference these values through the curriculum, engagement period, rewards and dialogue with each other.
