

# HAWKLEY HALL HIGH SCHOOL

## HEADTEACHER'S NEWSLETTER

### WELCOME!

### EDITION 2

This week I have been holding assemblies with all year groups on the importance of attendance. I took the opportunity to praise students who are consistently coming to school and achieving 100%.

In the assembly, I also shared the importance of personal space. Personal space is essential in schools to help students feel safe, respected, and comfortable in their learning environment.

### Reflective Friday

This week in reflective Friday, the focus has been on social responsibility. Students were asked to think about what they may put out to society with their words, actions, attitudes, text messages and on social media platforms.

Students were encouraged to discuss the impact of being socially irresponsible.

### SOCIAL MEDIA

Make sure you head over to our social media platforms and follow them to see trips, wider success stories and activities in school. If your child has any success stories which you would like to share with us, please email [admin@hhhs.net](mailto:admin@hhhs.net)
