March 2026

Dear parent/carer,

Your child's GCSE examinations are fast approaching, and it only seems a few minutes since they were in Year 7.

To help maintain your child's focus over the two-week Easter period we are holding some targeted revision sessions for groups of students throughout the holiday.

Individual subject teachers will explain to your child the nature of the sessions. Below is a brief overview of the revision sessions taking place during the two-week period.

Tuesday 7th April	Food 10:00am – 2:00pm
Wednesday 8th April	Construction 10:00am – 3:00pm Art & Textiles 9:00am – 12:30pm
Thursday 9th April	Construction 10:00am – 3:00pm DT 10:30am – 2:00pm
Friday 10th April	Computer Science 9:30am – 11:30am DT 10:00am – 2:00pm
Wednesday 15th April	Maths 9:00am – 11:00am

Please can you encourage your child to attend the relevant revision sessions. Attending these sessions, as well as after school revision classes, will have a positive impact on your child's GCSE grades.

If your child is attending sessions that involve being in school over lunchtime, they will need to bring a packed lunch in. Anybody wishing to go to the local shops for their lunch will only be allowed to go if the teacher has written permission from you.

Please note also that the school office is not fully staffed during the holidays, therefore queries may not be responded to immediately. Should you need to contact your child, you may ring your child's mobile during the revision session.

May I take this opportunity to thank you for your support to date and your continued support over the next three months.

Yours faithfully,

Mr J. Fiddler
