Headteacher: Mr P McKendrick

Dear parent/carer,

Your child is in their final half term of Year 7 at Hawley Hall and therefore we will continue to prepare them for the rigours, demands and high expectations of Year 8.

Your child will complete end of term/year assessments for their subjects during timetabled lessons however it is important that they experience sitting an assessment in designated examination rooms. As such your child will sit their **science assessment on Friday 19th June 2026 during periods 3 and 4**. We will gradually build this up over their time during Key Stage 3 in preparation for Key Stage 4.

The assessments are an essential part of your child's academic journey so far and will provide a valuable insight into their current progress whilst preparing your child for the structure, expectations and rigour of their final GCSE examinations in 2030.

Supporting Your Child During Assessments

To help your child succeed we ask for your support in the following ways:

- Ensure that they are fully equipped with pens, pencils, rulers and most importantly a scientific calculator
- Ensure regular revision by planning out a revision timetable together with revision strategies e.g. flashcards, self quizzes etc.
- Healthy routines such as regular sleep, time away from screens, nutritious meals etc.
- A quiet, distraction free study area

Looking Ahead

We will analyse your child's strengths and areas of development from these assessments so that they can be addressed during the remaining weeks of term.

May I take this opportunity to thank you for your continued support throughout the year and your help in preparing your child for these assessments.

If you have any queries or require further clarification, please do not hesitate in contacting school so that we can pass this on to the relevant person to contact you back.

Yours faithfully,

Mr Fiddler

Deputy Headteacher
